serma

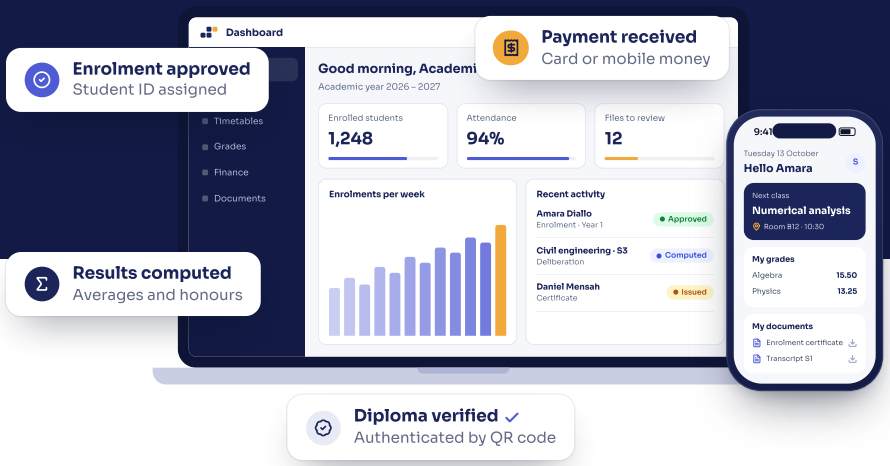

Academic ERP · Higher education

— HIGHER EDUCATION · INTERNATIONAL

One system to run your entire institution.

Admissions, student records, exams, finance and official documents, together on one platform that adapts to your country and campuses.

- **Multilingual · Multi-currency · Multi-campus**
- English · Français · العربية
- Google and Microsoft
- Moodle and Teams

Time back for your teams

Online enrolment, roll call in seconds and automatic receipts.

No double entry

One student record, shared by every office and every campus.

Secure and compliant

Configurable regulatory exports, isolated and backed-up data.

Real-time oversight

Enrolment, attendance and results, consolidated across campuses.

For higher-education schools, institutes and universities

Up and running in days · **serma.app**

FEATURES

The whole academic cycle, in one place

From admission to graduation, every office and campus shares the same data.

- **Admissions** — Online, with student ID
- **Student records** — Pathway and documents
- **Academic structure** — Programmes and curricula
- **Timetables** — No room or teacher clashes
- **Attendance** — Roll call, even offline
- **Grades and results** — Compensation and honours
- **Exams** — Sessions and transcripts
- **Finance** — Instalments, multi-currency
- **Payments** — Card and mobile money
- **Official documents** — Verifiable by QR code
- **Internships and defences** — Agreements and juries
- **Teachers** — Workload and pay

HOW IT WORKS

Up and running in days

1. **We set up your access** — Your space, ready to use
2. **We bring in your data** — Excel import and setup assistant
3. **You take the lead** — Trained teams, built-in support

OPEN TO YOUR TOOLS

Fits your country and your tools

- **Google and Microsoft sign-in** — Staff and students keep the accounts they already use
- **Moodle, Teams, API and webhooks** — Courses, grades and sessions in sync with your tools
- **Online payments** — Bank card and mobile money, automatic receipt
- **Configurable regulatory exports** — Adapted to each country, in several currencies

A SPACE FOR EVERYONE

- **Leadership and admin** — Approvals and reports
- **Teachers** — Roll call and grades
- **Students and families** — Grades, payments, documents

Isolated data · Two-factor sign-in · Backups · Audit log · Trilingual EN · FR · AR
